

CLAUSE I-61 – INSPECTION/ACCEPTANCE (August 2002)

The Subcontractor shall only tender for acceptance those items that conform to the requirements of this subcontract. SURA reserves the right to inspect or test any supplies or services that have been tendered for acceptance. SURA may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in subcontract price. SURA must exercise its post-acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.
